Form1.cs

Form1.cs [Design]

The screenshot shows a Windows application in design mode within Microsoft Visual Studio 2010. The main window title is "Form1". Inside, a `DataGridView` is displayed with the following columns and data:

	Name	Product ID	Description	Price	On Hand Quantity	Last Time Sold
*						

Below the `DataGridView`, there are six `Button` controls labeled "Edit". To the right of the `DataGridView`, there is a `Button` labeled "Add New Entry".
